The students (admitted in 2023) have already filled examination form manually but for the smooth conduct of examinations and issuance of DMC's/Degrees, the students are also required to **fill examination forms online**. But before filling of examination forms, they must updated their students profile after login using the username (username is roll no.) and password (already available). They should update their photo and profile at the earliest and fill examination forms upto **23/12/2023 (without examination fees as it has been already taken while filling manual examination form)**. The data should be authentic as the DMC/Degree will be issued on the basis of this data. Moreover the form filling can be done only after the profile is locked.
